

261—22.1(15) Definitions. For purposes of this chapter unless the context otherwise requires:

“Abandoned building” means a building that has remained vacant and been in violation of the applicable housing code or building code for a period of six consecutive months.

“Applicant” means a city applying for financial assistance under the program.

“Authority” means the economic development authority created in Iowa Code section 15.105.

“Building” means a structure that is:

1. Used or intended to be used for commercial or industrial purposes; or
2. Used or intended to be used for residential purposes; or
3. Used or intended to be used for both commercial or industrial and residential purposes.

“Costs directly related” means expenditures that are incurred for acquisition, demolition, disposal, redevelopment, or rehabilitation of a project to the extent that they are attributable directly to the remediation or redevelopment of the property or its improvements. “Costs directly related” includes expenditures for site preparation work, surveying, construction materials, construction labor, architectural services, engineering services, building permits, building inspection fees, and interest accrued on a construction loan during the time period allowed for project completion under an agreement entered into pursuant to the program. “Costs directly related” does not include expenditures for furnishings, appliances, accounting services, legal services, loan origination and other financing costs, syndication fees and related costs, developer fees, or the costs associated with selling or renting the dwelling units whether incurred before or after completion of the project.

“Director” means the director of the authority.

“Financial assistance” means a loan or forgivable loan made by the authority to an applicant approved for funding under the program.

“Nuisance property” means a building, structure, or other real estate that is, or is likely to become, a public nuisance.

“Program” means the nuisance property and abandoned building remediation assistance program established pursuant to this chapter.

“Project” means remediation or redevelopment of nuisance properties and abandoned buildings. “Project” may include properties at multiple sites and locations, whether contiguous or not, as long as all properties to be remediated or redeveloped are included in the proposed plan upon application and as long as the proposed plan demonstrates the steps and actions necessary to further remediation and redevelopment efforts in a comprehensive and coordinated manner.

“Public nuisance” means the same as defined in Iowa Code section 657A.1 and includes buildings with blighting characteristics as described in Iowa Code section 403.2.

“Redevelopment” means development activities associated with a project that are undertaken either for the purpose of remediating nuisance properties or abandoned buildings; for constructing new buildings or improvements at a site where formerly existing buildings have been demolished; or for rehabilitating, reusing or repurposing existing buildings or improvements at a project site. “Redevelopment” typically includes projects that result in the elimination of blighting characteristics as described in Iowa Code section 403.2.

“Remediation” or *“remediating”* means the demolition, disposal, removal, repair, improvement, or rehabilitation of nuisance property or abandoned buildings at a site included in a project.
