

871—65.7(84E) Notice and reporting.

65.7(1) *Notice of award.* Program applicants will be notified in writing of the funding decision, including any conditions and terms of the approval as may be required under the program.

65.7(2) *Reporting.* An applicant receiving assistance under the program shall submit any information reasonably requested by the department in sufficient detail to permit the department to prepare any reports required by the department, the general assembly or the governor's office.
