

761—164.7(312) Ineligible project costs.

164.7(1) Any and all costs incurred prior to commission approval of funding for a project are ineligible.

164.7(2) Activities and costs not eligible for traffic safety funding as a portion of a site-specific improvement include, but are not limited to:

- a.* Routine maintenance of a road, street, bridge, culvert or traffic control device.
- b.* Safety-related activities associated with projects initiated for purposes other than traffic safety.
- c.* Contract administration costs.
- d.* Design and construction engineering and inspection.
- e.* Utility construction, reconstruction or adjustment, except as an integral part of a project.
- f.* Sidewalks, bicycle paths, or railroad-highway crossings, except as an integral part of a project.
- g.* Maintenance or energy costs for traffic control devices or lighting.
- h.* Expenditures for items not related to the roadway.

164.7(3) Activities and costs not eligible for traffic safety funding as a part of an application for traffic control device materials include, but may not be limited to:

- a.* Maintenance or energy costs for traffic control devices or lighting.
- b.* Installation costs.
