

441—9.3 (17A,22) Requests for access to records.

9.3(1) Location of record. A request for access to a record should be directed to the director or the particular department office where the record is kept.

a. If the location of the record is not known by the requester, the request shall be directed to the Office of Policy Analysis, Department of Human Services, 1305 East Walnut Street, Des Moines, Iowa 50319-0114.

b. If a request for access to a record is misdirected, department personnel will promptly forward the request to the appropriate person within the department.

9.3(2) Office hours. Open records shall be made available during all customary office hours, which are 8 a.m. to 4:30 p.m. daily, excluding Saturdays, Sundays and legal holidays.

9.3(3) Request for access. Requests for access to open records may be made in writing, in person, or by telephone. Requests shall identify the particular records sought by name or description in order to facilitate the location of the record. Mail or telephone requests shall include the name, address, and telephone number of the person requesting the information. A person shall not be required to give a reason for requesting an open record.

9.3(4) Response to requests. Access to an open record shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. If the size or nature of the request for access to an open record requires time for compliance, the custodian shall comply with the request as soon as feasible. Access to an open record may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The custodian shall promptly give notice to the requester of the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing.

The custodian of a record may deny access to the record by members of the public only on the grounds that such a denial is warranted under Iowa Code sections 22.8(4) and 22.10(4), or that it is a confidential record, or that its disclosure is prohibited by a court order. Access by members of the public to a confidential record is limited by law and, therefore, may generally be provided only in accordance with the provisions of rule 441—9.4(17A,22) and other applicable provisions of law.

9.3(5) Security of record. No person may, without permission from the custodian, search or remove any record from department files. Examination and copying of department records shall be supervised by the custodian or a designee of the custodian. Records shall be protected from damage and disorganization.

9.3(6) Copying. A reasonable number of copies of an open record may be made in the department office. If photocopy equipment is not available in the department office where an open record is kept, the custodian shall permit its examination in that office and shall arrange to have copies promptly made elsewhere.

9.3(7) Fees.

a. When charged. The department may charge fees in connection with the examination or copying of records only if the fees are authorized by law. To the extent permitted by applicable provisions of law, the payment of fees may be waived when the imposition of fees is inequitable or when a waiver is in the public interest.

b. Copying and postage costs. Price schedules for published materials and for photocopies of records supplied by the department shall be prominently posted in department offices. Copies of records may be made by or for members of the public on department photocopy machines or from electronic storage systems at cost as determined and posted in department offices by the custodian. When the mailing of copies of records is requested, the actual costs of such mailing may also be charged to the requester.

c. Supervisory fee. An hourly fee may be charged for actual department expenses in supervising the examination and copying of requested records when the supervision time required is in excess of one-half hour. The custodian shall prominently post in department offices the hourly fees to be charged for supervision of records during examination and copying. That hourly fee shall not be in excess of

the hourly wage of a department clerical employee who ordinarily would be appropriate and suitable to perform this supervisory function.

d. Advance deposits.

(1) When the estimated total fee chargeable under this subrule exceeds \$25, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.

(2) When a requester has previously failed to pay a fee chargeable under this subrule, the custodian may require advance payment of the full amount of any estimated fee before the custodian processes a new request from that requester.

e. Summary of health information. The department may charge a fee for the cost of preparing an explanation or summary of health information as provided in paragraph 9.9(1)“c.” The department and the subject requesting the information shall agree to the amount of any fee imposed before the department prepares the explanation or summary.
