

**701—106.3(434) Comparable sales.** Sale prices of comparable property in normal transactions shall be taken into consideration in arriving at its market value. In the event comparable sales are not available, the market value of operating property shall be determined by utilizing the three recognized unit approaches to value (i.e., stock and debt approach, income capitalization approach and the cost approach).

This rule is intended to implement Iowa Code section 434.15.
