

701—25.16(421) List for publication. The director may compile and make available for publication a list of names, with last-known addresses and amounts of indebtedness owed to or being collected by the state if the indebtedness is subject to the centralized debt collection procedure established in Iowa Code subsection 421.17(34). The director shall determine when to compile the list, but shall not be required to do so.
