305.4(5) *Limitation of checkoffs on the individual income tax return.*

a. Only four checkoffs may be included on the individual income tax return for a given tax year. For tax years beginning on or after January 1, 2017, if the same four checkoffs have been listed on the individual income tax return for two consecutive years, the two checkoffs that, in the aggregate, have received the lowest contribution amounts are repealed effective December 31 after the end of the second tax year and will be removed from the individual income tax return. To determine contribution amounts, the department will consider the contributions made to each fund for the first tax year and contributions made to each fund up to and including March 15 after the end of the second tax year. The department will notify the Iowa Code editor of the checkoffs that are repealed under this paragraph by July 1 after the end of the second tax year.

EXAMPLE: Checkoffs A, B, C, and D are included on the individual income tax return for tax years 2021 and 2022. Taxpayers will begin filing their 2021 tax returns in January 2022. To determine which two checkoffs received the lowest contribution amounts, the department will review the contributions received in the period January 1, 2022, through March 15, 2023 (March 15 after the end of the second tax year).

b. If the general assembly, in the same legislative session, enacts more checkoffs than may be included on the individual income tax form, only the earliest enacted checkoffs will be listed on the form. The department will determine which enacted checkoffs will be included on the form pursuant to Iowa Code section 3.7. If it is indeterminable which checkoffs were first enacted under Iowa Code section 3.7, the director of revenue shall determine the checkoffs that will be included on the individual income tax form. The department will notify the Iowa Code editor of any checkoffs that must be repealed under this paragraph by September 1 of any applicable year.
