

701—602.6(422) Interest and dividends from foreign securities and securities of states and other political subdivisions. Interest and dividends from foreign securities and securities of states and their political subdivisions including Iowa shall be included in taxable income for periods beginning on or after January 1, 1980. For tax periods beginning on or after January 1, 1987, subtract interest expense allocable to interest exempt from federal income tax which was disallowed as a deduction under Internal Revenue Code Section 265(b) or 291(e)(1)(B).

For tax years beginning on or after January 1, 1987, add dividends received from regulated investment companies exempt from federal income tax under Section 852(b)(5) of the Internal Revenue Code and subtract the loss on the sale or exchange of a share of a regulated investment company held for six months or less to the extent the loss was disallowed under Section 852(b)(4)(B) of the Internal Revenue Code.

For tax years beginning on or after January 1, 2001, add, to the extent not already included, income from the sale of obligations of the state of Iowa and its political subdivisions and interest and dividend income from these obligations. Gains or losses from the sale or other disposition of bonds issued by the state of Iowa or its political subdivisions, along with interest and dividend income from these bonds, shall be included in Iowa taxable income unless the law authorizing these obligations specifically exempts the income from the sale and interest and dividend income from Iowa franchise tax.

This rule is intended to implement Iowa Code sections 422.35 and 422.61 as amended by 2001 Iowa Acts, House File 715.
