

641—30.5 (105) Audit of continuing education requirements. The board may conduct an audit of a licensee's license renewal application to review compliance with continuing education requirements.

30.5(1) Upon board request, the licensee must submit to the board an individual certificate of completion issued to the licensee or evidence of successful completion of the course from the course sponsor or course instructor. These documents must contain the course title, date(s), contact hours, sponsor's name, and licensee's name. In some instances, licensees will be requested to provide to the board additional information including, but not limited to, program content, objectives, presenters, location, and schedule. An inclusive brochure may meet this requirement.

30.5(2) Upon board request, a licensee must submit all information set forth in subrule 30.5(1) within 30 calendar days following the board's request. The board may grant extensions on an individual basis.

30.5(3) If the submitted materials are incomplete or unsatisfactory and the board determines that the deficiency was the result of good-faith conduct on the part of the licensee, the licensee may be given the opportunity to submit make-up credit to cover the deficit found through the audit. A licensee must complete the continuing education hours and submit documentation establishing completion of the required make-up continuing education hours to the board within 120 calendar days from the date of the board's finding of good-faith conduct.

30.5(4) A licensee's failure to provide the board with an accurate mailing address shall not be an excuse for noncompliance with any requirement set forth in this rule.
