

761—400.37(321) Motorcycle primarily designed or converted to transport property. A motorcycle primarily designed or converted to transport less than 1000 pounds of property shall be registered as a motorcycle. A motorcycle primarily designed or converted to transport 1000 pounds of property or more shall be registered as a motor truck.

This rule is intended to implement Iowa Code sections 321.1 and 321.117.
