

761—400.53(321) Stickers.

400.53(1) *Placement of validation sticker.* The validation sticker shall be affixed to the lower left corner of the rear registration plate. EXCEPTIONS: For motorcycle and small trailer plates, the validation sticker shall be affixed to the upper left corner of the plate. For natural resources plates, the sticker may be affixed to the lower right corner of the rear plate.

400.53(2) *Special fuel user identification sticker.* If the vehicle uses a special fuel as defined in Iowa Code section 452A.2, a special fuel user identification sticker shall be issued. This sticker shall be displayed on the cover of the fuel inlet of the motor vehicle or on the outside panel of the motor vehicle within 3 inches of the fuel inlet so as to be in view when fuel is delivered into the motor vehicle.

400.53(3) *Persons with disabilities parking sticker.* A persons with disabilities special registration plate parking sticker shall be affixed to the lower right corner of the rear registration plate.

This rule is intended to implement Iowa Code sections 321.34, 321.40, 321.41, and 321.166.
