501—3.13(80B) Reciprocity curriculum. An academy-aligned training curriculum for reciprocity will be initially approved by the director and confirmed by the council.

3.13(1) The curriculum will include:

a. Core concepts of legal knowledge and application.

b. Core skills to include firearms, standardized field sobriety testing, defensive tactics, vehicle operations, physical training, and basic first aid.

c. Core competencies from paragraph 3.12(1)*"c."*

3.13(2) Training will include course materials, formative and summative assessments, and relative performance tasks or practical exercises where law enforcement officers are assessed over a variety of criteria at an in-person skills course at the academy.

3.13(3) Changes to the council-approved curriculum or completion standards will be approved by the director.

This rule is intended to implement Iowa Code sections 80B.11F(2), 80B.11H, and 80B.13(3).
