501—9.2(80B) Basic training for jailers.

9.2(1) The following training will be successfully completed by all jail administrators within six months of initial appointment and all jailers within one year of initial employment or assignment.

a. Basic training course. Jail administrators and jailers will successfully complete an approved basic training course.

b. Basic life support. Jail administrators and jailers will successfully complete courses in cardiopulmonary resuscitation (CPR), automated external defibrillator (AED) use, and foreign body airway obstruction treatment for all age groups consistent with nationally recognized standards.

c. First aid. Jail administrators and jailers will successfully complete a first aid course or have status as an emergency medical responder, licensed practical nurse, registered nurse, or medical practitioner or hold other similar certification in the state of Iowa.

9.2(2) Should a jail administrator or jailer fail to complete all training within the time period or any extensions allowed, that person will not be eligible for employment as and will not serve as a jail administrator or jailer in the state of Iowa for a period of not less than 12 months. The period of ineligibility begins on the date the person last worked as a jail administrator or jailer.

This rule is intended to implement Iowa Code section 80B.11A and 80B.13.
