110.4(4) The ability of an assuming reinsurer to perform and whether the insurer's reinsurance program provides sufficient protection for the insurer's remaining surplus after taking into account the insurer's cash flow and the classes of business written as well as the financial condition of the assuming reinsurer.

110.4(5) Whether the insurer's operating loss in the last 12-month period or any shorter period of time, including but not limited to net capital gain or loss, change in nonadmitted assets, and cash dividends paid to shareholders, is greater than 50 percent of the insurer's remaining surplus as regards policyholders in excess of the minimum required.

110.4(6) Whether the insurer's operating loss in the last 12-month period or any shorter period of time, excluding net capital gains, is greater than 20 percent of the insurer's remaining surplus as regards policyholders in excess of the minimum required.

110.4(7) Whether a reinsurer, obligor, or any entity within the insurer's insurance holding company system is insolvent, threatened with insolvency or delinquent in payment of its monetary or other obligations which, in the opinion of the commissioner, may affect the solvency of the insurer.

110.4(12) Whether management of an insurer has failed to respond to inquiries relative to the condition of the insurer or has furnished false or misleading information concerning an inquiry.

110.4(13) Whether the insurer has failed to meet financial and holding company filing requirements in the absence of a reason satisfactory to the commissioner.

110.4(14) Whether management of an insurer either has filed any false or misleading sworn financial statement, or has released a false or misleading financial statement to lending institutions or to the general public, or has made a false or misleading entry, or has omitted an entry of material amount in the books of the insurer.

110.4(15) Whether the insurer has grown so rapidly and to such an extent that it lacks adequate financial and administrative capacity to meet its obligations in a timely manner.

110.4(16) Whether the insurer has experienced, or will experience in the foreseeable future, cash flow or liquidity problems.

110.4(17) Whether management has established reserves that do not comply with minimum standards established by state insurance laws, regulations, statutory accounting standards, sound actuarial principles, and standards of practice.

110.4(18) Whether management persistently engages in material underreserving that results in adverse development.

110.4(19) Whether transactions among affiliates, subsidiaries or controlling persons for which the insurer receives assets or capital gains, or both, do not provide sufficient value, liquidity or diversity to ensure the insurer's ability to meet its outstanding obligations as they mature.

110.4(20) Whether the insurer's underwriting expenses are in excess of 70 percent of net premiums for three years, excluding companies that write more than 75 percent of gross premium in surety. Companies licensed under Iowa Code chapters 508 and 512B are excluded from this subrule.

110.4(21) Any other finding determined by the commissioner to be hazardous to the insurer's policyholders, creditors, or the general public.
