

761—625.3(321) Issuance.

625.3(1) To obtain an undercover license after the application is approved, the applicant must appear at a driver's license examination station that has record capabilities, with all applicable documents necessary for the issuance of an undercover license.

625.3(2) A two-year license will be issued. The applicant must pay all fees and meet all requirements for the class of license applied for, except that 761—subrule 601.5(2) (proof of age and identity), is waived.
