

811—6.7(169) License renewal.

6.7(1) A license to practice veterinary medicine shall be issued for a three-year period, except that new licenses issued during a triennium shall be issued for the balance of that triennium. A license shall expire on June 30 of the third year of the triennium.

6.7(2) At least two months before the end of a triennium, a renewal notice will be sent to each licensee at the last address in the board's file. Failure to receive the notice shall not relieve the licensee of the obligation to pay triennium renewal fees on or before June 30.

6.7(3) The license renewal application shall include a statement which certifies the jurisdictions in which the licensee is currently or has in the past been licensed to practice veterinary medicine.

6.7(4) Renewal fees shall be received by the board on or before the end of the triennium on June 30. Whenever renewal fees are not received as specified, the license lapses and the practice of veterinary medicine must cease until all renewal fees and penalty fees are received by the board.

6.7(5) If the renewal and penalty fees are not received by the board on or by August 1 after the license has lapsed, an application for reinstatement must be filed with the board with a reinstatement fee in addition to the renewal fee and the penalty fee.
