

**661—251.102(100B) Other training.** Any member of a fire department who serves in a capacity other than structural fire fighting at an emergency incident on or after July 1, 2010, shall have received training based on the duties the member might perform at an emergency incident. Training to meet this requirement may be provided by the fire service training bureau, a community college, a regional fire training facility, or a local fire department, or any combination thereof.
