

661—550.1(103) Electrical inspection program. The electrical inspection program is created as a section within the building code bureau in the fire marshal division of the department of public safety. The program is under the general supervision of the state fire marshal and the direct supervision of the building code commissioner, and shall be headed by a chief electrical inspector. The program shall enforce requirements for electrical installations adopted by the electrical examining board in 661—Chapter 504.
