

721—21.307(49,53) Updating signatures on file. A registered voter may update the signature on record with the commissioner at any time. A commissioner shall not require a reason from the voter for the change. The state commissioner shall prescribe a form for the signature update. The form must include the voter's name and the voter's verification number. The form shall be published on the state commissioner's website. A written request with the required information shall not require the form. Upon receiving the signature update request, the commissioner shall verify the information on the form. If the required information is valid, the commissioner shall scan the form into I-Voters. This action shall be processed as a ministerial update and shall not be processed as a change to the voter registration record. If the registrant is attempting to vote pursuant to Iowa Code section 53.10 or 53.11, the registrant shall provide proof of identity prior to submitting the update.

This rule is intended to implement 2017 Iowa Acts, House File 516, section 27, and Iowa Code section 53.18 as amended by 2017 Iowa Acts, House File 516, section 31.
