

199—30.4(476) Renewable energy claims. After the board has verified the percentage of the utility's retail sales that were served using renewable energy generation, the board's findings will provide sample renewable energy claims that may be used by the utility and its customers. The language will be in substantially the following form, where "x" is the verified REP:

30.4(1) Utility: x percent of the electricity that the utility sold to retail customers during the prior period was from renewable energy generation. The utility provided its retail customers with x percent renewable energy during the prior period.

30.4(2) Utility retail customer: x percent of the electricity used by the customer during the prior period and purchased from the utility was from renewable energy generation.
