

201—37.2 (904) Sale of products.

37.2(1) Iowa state industries shall sell products to any tax-supported institution or governmental subdivision in any level of government, including state, county, city or school. Iowa state industries may sell products to employees of such entities.

37.2(2) Iowa state industries may sell products to nonprofit organizations such as parochial schools, churches, or fraternal organizations and employees of such nonprofit organizations.

37.2(3) Iowa state industries may sell products to nonprofit health care facilities serving Medicaid or social security patients.

37.2(4) Sales will not generally be solicited from the general public. However, the state director of Iowa state industries may determine with the advice of the prison industries advisory board that limited public sales will be made when the sales to political subdivisions are insufficient to justify continued operation of a shop.

37.2(5) Iowa state industries may sell products to a general contractor when the products purchased will be sold to a public entity as provided in subrules 37.2(1) to 37.2(3). The public entity shall submit a written request to Iowa state industries specifying the products and quantities to be purchased. Such sales shall be limited to contractors involved in construction, renovation, and remodeling projects. Sales to a general contractor shall be approved by the Iowa prison industries advisory board.

This rule is intended to implement Iowa Code section 904.815.
