441—153.2(234) Amendment to pre-expenditure report and intended use plan.

153.2(1) The pre-expenditure report and intended use plan may be amended throughout the year. The department may file an amendment changing the type, scope or duration of a service. Decisions to change a direct service or state-purchased service will be made by the department. Prior to filing an amendment, the department will evaluate available funds and the effect any change will have on clients.

153.2(2) An amendment in the pre-expenditure report and intended use plan will be posted on the department's website at least 30 days prior to the effective date of the change. However, in the event funding for the service has been exhausted, an amendment will be posted immediately notifying the public that the service will no longer be available.

a. The department will, whenever possible, give advance notice of a service termination made necessary because funds have been exhausted.

b. When a service is added or extended, an amendment may be posted immediately, and a 30-day posting period is not required.

153.2(3) Individuals or groups may submit written comments to the department.

153.2(4) Nothing in this rule will supersede the requirement for notifying clients of adverse action as provided in rule 441—130.5(234).
