441—153.4(234) Allocation of block grant funds.

153.4(1) The department will follow a cost allocation plan for determining the appropriate administrative costs to be funded with block grant moneys.

153.4(2) Funding for services will be allocated in accordance with the annual budgeting process. The department's annual budget is available for review on the department's website. Costs may be shifted in and between service areas to ensure continued statewide availability of services.
