291.2(2) *Definitions.* The following definitions apply to the volunteer emergency services provider death benefit program.

"Beneficiary" means the surviving spouse of the volunteer emergency services provider who died in the line of duty. If there is no surviving spouse, and there is a surviving child or surviving children of the volunteer emergency services provider, then "beneficiary" means the surviving child of the member. If there is more than one surviving child, the children are cobeneficiaries who shall share equally in the lump-sum payment of the death benefit. If there is no surviving spouse or child of the volunteer emergency services provider, "beneficiary" means the surviving father or mother of the volunteer emergency services provider if either or both survives at the time of the line-of-duty death of the volunteer emergency services provider. If both the mother and father of the volunteer emergency services provider survive at the time of the line-of-duty death of the volunteer emergency services provider, then the father and mother are cobeneficiaries who shall share equally in the lump-sum payment. If there is no surviving spouse, child, or parent at the time of the line-of-duty death of the volunteer emergency services provider, then "beneficiary" means the estate of the deceased volunteer emergency services provider.

"Line-of-duty death" means the death of a volunteer emergency services provider that was the direct and proximate result of a traumatic personal injury incurred in the line of duty as a volunteer. The death is not a line-of-duty death if any of the exclusions in Iowa Code section 100B.31(2) apply.
