

481—280.11(10A) Recognition of local fire ordinances and enforcement.

280.11(1) With the exception of a health care facility subject to the requirements of rule 481—280.14(10A), a building, structure, or facility is deemed to comply if all of the following conditions are met:

a. The building, structure, or facility is in a local jurisdiction that has adopted a local fire ordinance that adopts by reference any edition of the International Fire Code, published by the International Code Council; any edition of NFPA 1, Uniform Fire Code, published by the NFPA; or the Uniform Fire Code, 1997 edition, published by the Western Fire Chiefs Association.

b. The local fire ordinance is enforced through a process of review and approval of construction plans for compliance with the local fire ordinance and a process of regular inspections for compliance with the local fire ordinance.

c. The building, structure, or facility is subject to regular fire safety inspections.

d. The local jurisdiction has verified, during its most recent inspection, including any follow-up inspections, that the building, structure, or facility complies with the local fire ordinance.

280.11(2) Notwithstanding any conflicting provisions contained in any code adopted by reference in this chapter or by any local fire ordinance, compliance with the provisions of 481—Chapter 282 is required at any location or facility in which flammable or combustible liquids are stored, handled, or used, other than incidental use.
