

481—301.41(103A) Scope and definition. Part 7 applies to historic buildings and is an alternative to the state building code or local building codes for the buildings to which it applies.

“Historic building” means any building or structure that is listed in the state or National Register of Historic Places, that is designated as a historic property under local or state designation law or survey, that is certified as a contributing resource within a National Register-listed or locally designated historic district, or that has an opinion or certification that the property is eligible to be listed on the state or National Register of Historic Places either individually or as a contributing building to a historic district by the state historic preservation officer pursuant to Iowa Code section 103A.42 or the Keeper of the National Register of Historic Places.
