

653—14.6(272C) Type of program. The IPHP is an individualized recovery, rehabilitation, or maintenance program designed to meet the specific needs of the participant. The committee, in consultation with an IPHC-approved evaluator, shall determine the type of recovery, rehabilitation, or maintenance program required to treat the participant's impairment. The IPHC shall prepare a contract, to be signed by the participant, that shall provide a detailed description of the goals of the program, the requirements for successful participation, and the participant's obligations therein.
