

**201—20.3(904) Visits to offenders.** Visiting is a privilege which allows offenders to maintain and strengthen relationships with family members and friends. Though visits are encouraged, institutions' space, schedules, personnel constraints, treatment considerations, or other safety and security issues of the institutions and their operations may result in limiting the number and length of visits. Visitation is additionally governed by the provisions of department of corrections policy OP-MTV-04.

**20.3(1) Definitions.**

When ruling on such visits, the warden/superintendent or designee shall consider appropriate factors including the uniqueness of the circumstances involved for both the offender and the visitor; security, order, and administrative needs of the institution; and available alternatives to a special visit. The decision of the warden/superintendent or designee in these cases constitutes final agency action.

**20.3(21) *Temporary modifications.*** Visiting procedures may be temporarily modified or suspended in the following circumstances: riot, disturbance, fire, labor dispute, space and personnel restrictions, natural disaster, or other emergency.
