

**441—77.29(249A) Case management provider organizations.** Case management provider organizations are eligible to participate in the Medicaid program provided that they meet the standards for the populations being served. Providers shall meet the following standards:

**77.29(1) Standards in 441—Chapter 24.** Providers shall meet the standards in 441—Chapter 24 when they are the department of human services, a county or consortium of counties, or an agency or provider under subcontract to the department or a county or consortium of counties providing case management services to persons with mental retardation, developmental disabilities or chronic mental illness.

**77.29(2) Standards in 441—Chapter 186.** Rescinded IAB 10/12/05, effective 10/1/05.
