IAC Ch 58, p.1

**481—58.22(135C) Rehabilitative services.** Rehabilitative services shall be provided to maintain function or improve the resident's ability to carry out the activities of daily living.

**58.22(1)** *Physical therapy services.* 

- a. Each facility shall have a written agreement with a licensed physical therapist to provide physical therapy services. (III)
- b. Physical therapy shall be rendered only by a physical therapist licensed to practice in the state of Iowa. All personnel assisting with the physical therapy of residents must be under the direction of a licensed physical therapist. (II, III)
  - c. The licensed physical therapist shall:
- (1) Evaluate the resident and prepare a physical therapy treatment plan conforming to the medical orders and goals; (III)
- (2) Consult with other personnel in the facility who are providing resident care and plan with them for the integration of a physical therapy treatment program into the overall health care plan; (III)
- (3) Instruct the nursing personnel responsible for administering selected restorative procedures between treatments; (III)
  - (4) Present programs in the facility's in-service education programs. (III)
  - d. Treatment records in the resident's medical chart shall include:
  - (1) The physician's prescription for treatment; (III)
  - (2) An initial evaluation note by the physical therapist; (III)
- (3) The physical therapy care plan defining clearly the long-term and short-term goals and outlining the current treatment program; (III)
  - (4) Notes of the treatments given and changes in the resident's condition; (III)
  - (5) A complete discharge summary to include recommendations for nursing staff and family. (III)
- e. There shall be adequate facilities, space, appropriate equipment, and storage areas as are essential to the treatment or examinations of residents. (III)

## **58.22(2)** Other rehabilitative services.

- a. The facility shall arrange for specialized and supportive rehabilitative services when such services are ordered by a physician. (III) These may include audiology and occupational therapy.
- b. Audiology services shall be under the direction of a person licensed in the state of Iowa by the board of speech pathology and audiology. (II, III)
- c. Occupational therapy services shall be under the direction of a qualified occupational therapist who is currently registered by the American Occupational Therapy Association. (II, III)
  - d. The appropriate professional shall:
- (1) Develop the treatment plan and administer or direct treatment in accordance with the physician's prescription and rehabilitation goals; (III)
- (2) Consult with other personnel within the facility who are providing resident care and plan with them for the integration of a treatment program into the overall health care plan. (III)
