

481—58.44(135C) Resident records. Each resident shall be ensured confidential treatment of all information contained in the resident's records, including information contained in an automatic data bank. The resident's written consent shall be required for the release of information to persons not otherwise authorized under law to receive it. (II)

58.44(1) The facility shall limit access to any medical records to staff and consultants providing professional service to the resident. This is not meant to preclude access by representatives of state and federal regulatory agencies. (II)

58.44(2) Similar procedures shall safeguard the confidentiality of residents' personal records, e.g., financial records and social services records. Only those personnel concerned with the financial affairs of the residents may have access to the financial records. This is not meant to preclude access by representatives of state and federal regulatory agencies. (II)

58.44(3) The resident, or the resident's responsible party, shall be entitled to examine all information contained in the resident's record and shall have the right to secure full copies of the record at reasonable cost upon request, unless the physician determines the disclosure of the record or section thereof is contraindicated in which case this information will be deleted prior to making the record available to the resident or responsible party. This determination and the reasons for it must be documented in the resident's record. (II)
