

191—112.7(521B) Requirements applicable to covered policies to obtain credit for reinsurance; opportunity for remediation.

112.7(1) Subject to the exemptions described in rule 191—112.4(521B) and the provisions of subrule 112.7(2), credit for reinsurance shall be allowed with respect to ceded liabilities pertaining to covered policies pursuant to Iowa Code sections 521B.102 and 521B.103 if, and only if, in addition to all other requirements imposed by law or rules, the following requirements are met on a treaty-by-treaty basis:

a. The ceding insurer's statutory policy reserves with respect to the covered policies are established in full and in accordance with the applicable requirements of Iowa Code section 508.36 and related rules and actuarial guidelines, and credit claimed for any reinsurance treaty subject to this chapter does not exceed the proportionate share of those reserves ceded under the contract; and

b. The ceding insurer determines the required level of primary security with respect to each reinsurance treaty subject to this chapter and provides support for its calculation as determined to be acceptable to the commissioner; and

c. Funds consisting of primary security, in an amount at least equal to the required level of primary security, are held by or on behalf of the ceding insurer, as security under the reinsurance treaty within the meaning of Iowa Code section 521B.103, on a funds-withheld, trust, or modified coinsurance basis; and

d. Funds consisting of other security, in an amount at least equal to any portion of the statutory reserves as to which primary security is not held pursuant to paragraph 112.7(1)“*c*,” are held by or on behalf of the ceding insurer as security under the reinsurance treaty within the meaning of Iowa Code section 521B.103; and

e. Any trust used to satisfy the requirements of rule 191—112.7(521B) shall comply with all of the conditions and qualifications of 191—subrule 5.33(10), except that:

(1) Funds consisting of primary security or other security held in trust shall, for the purposes identified in subrule 112.6(2), be valued according to the valuation rules set forth in subrule 112.6(2), as applicable; and

(2) There are no affiliate investment limitations with respect to any security held in such trust if such security is not needed to satisfy the requirements of paragraph 112.7(1)“*c*”; and

(3) The reinsurance treaty must prohibit withdrawals or substitutions of trust assets that would leave the fair market value of the primary security within the trust (when aggregated with primary security outside the trust that is held by or on behalf of the ceding insurer in the manner required by paragraph 112.7(1)“*c*”) below 102 percent of the level required by paragraph 112.7(1)“*c*” at the time of the withdrawal or substitution; and

(4) The determination of reserve credit under 191—subparagraphs 5.33(10)“*d*”(3) to 5.33(10)“*d*”(5) shall be determined according to the valuation rules set forth in subrule 112.6(2), as applicable; and

f. The reinsurance treaty has been approved by the commissioner.

112.7(2) Requirements at inception date and on an ongoing basis; remediation.

a. The requirements of subrule 112.7(1) must be satisfied as of the date that risks under covered policies are ceded (if such date is on or after January 10, 2018) and on an ongoing basis thereafter. Under no circumstances shall a ceding insurer take or consent to any action or series of actions that would result in a deficiency under paragraph 112.7(1)“*c*” or 112.7(1)“*d*” with respect to any reinsurance treaty under which covered policies have been ceded, and in the event that a ceding insurer becomes aware at any time that such a deficiency exists, it shall use its best efforts to arrange for the deficiency to be eliminated as expeditiously as possible.

b. Prior to the due date of each quarterly or annual statement, each life insurance company that has ceded reinsurance within the scope of rule 191—112.3(521B) shall perform an analysis, on a treaty-by-treaty basis, to determine, as to each reinsurance treaty under which covered policies have been ceded, whether as of the end of the immediately preceding calendar quarter (the valuation date) the requirements of paragraphs 112.7(1)“*c*” and 112.7(1)“*d*” were satisfied. The ceding insurer shall establish a liability equal to the excess of the credit for reinsurance taken over the amount of primary security actually held pursuant to paragraph 112.7(1)“*c*,” unless either:

(1) The requirements of paragraphs 112.7(1)“c” and 112.7(1)“d” were fully satisfied as of the valuation date as to such reinsurance treaty; or

(2) Any deficiency has been eliminated before the due date of the quarterly or annual statement to which the valuation date relates through the addition of primary security or other security or both, as the case may be, in such amount and in such form as would have caused the requirements of paragraphs 112.7(1)“c” and 112.7(1)“d” to be fully satisfied as of the valuation date.

c. Nothing in paragraph 112.7(2)“b” shall be construed to allow a ceding company to maintain any deficiency under paragraph 112.7(1)“c” or 112.7(1)“d” for any period of time longer than is reasonably necessary to eliminate the deficiency.
