

441—155.4(235A) Grantee requirements. In order to receive funding from the department, community councils must be legal entities or must designate a legal entity to receive the project funds directly (e.g., a local service provider).

155.4(1) Grantees, or the identified service providers, shall participate in program evaluation as required by the contractor and the department.

155.4(2) Grantees, or the identified service providers, that provide family support services under the program shall enter participant data in the state-administered, Internet-based data collection system identified in Iowa Code section 256I.13(3) and maintained by the Iowa department of public health.
