

**655—2.14(152) Clinical facilities.**

**2.14(1)** The clinical facilities shall provide learning experiences that meet curriculum objectives and outcomes.

**2.14(2)** The program shall provide information to the board about clinical facilities used for learning experiences.

*a.* The clinical facilities shall be accredited/approved by the appropriate agencies and shall have evidence of good standing by their regulatory body.

*b.* There shall be evidence that student experiences are coordinated when more than one program uses the same facility.
