

281—77.15(256) Program evaluation. The institution shall:

77.15(1) Demonstrate how the information gathered via the individual teacher intern candidate assessment system is utilized to refine and revise the program's goals, content, delivery strategies, and candidate support.

77.15(2) Document the quality of programs through the collective presentation of assessment data related to performance of teacher intern candidates and demonstrate how the data are used for continuous program improvement.

a. This documentation shall include evidence of evaluative data collected by the teacher intern preparation program through studies of teacher intern candidates while they are in the program and data collected from the district(s) or AEA employing the candidates. This evidence shall include, but is not limited to, candidates' content and pedagogical knowledge and performance, level of support for candidates provided by the institution and the local district or AEA, and perceived quality of preparation throughout the program.

b. This documentation shall include evidence of evaluative data collected by the teacher intern preparation program through follow-up studies of teacher intern preparation program graduates and their employers.

77.15(3) Submit an annual report to the department including, but not limited to, a composite of evaluative data collected by the program.
