

281—77.9(256) Diversity.

77.9(1) Recruitment, admissions, hiring, and retention policies and practices shall support a diverse faculty and teacher intern candidate population in the program.

77.9(2) Efforts toward racial, ethnic, and gender diversity among teacher intern candidates and program faculty shall be documented. In addition, diversity efforts shall include persons with disabilities, persons from different language and socioeconomic backgrounds, and persons from different regions of the country and world.

77.9(3) Unit efforts in increasing or maintaining diversity shall be reflected in plans, monitoring of plans and efforts, and results.

77.9(4) The institution, the program and members of the partnership shall maintain a climate that supports diversity in general as well as supporting teacher intern candidates and faculty from underrepresented groups in the program.
