

**281—56.4 (259) Individuals who are recipients of SSD/SSI.** Recipients of social security disability payments or supplemental security income payments are presumed eligible as being significantly disabled and are eligible for vocational rehabilitation services if such recipients demonstrate eligibility under subrule 56.6(6) and rule 281—56.8(259). Recipients who demonstrate eligibility under subrule 56.6(6) and rule 281—56.8(259) must also demonstrate need in the employment plan under rule 281—56.9(259). Nothing in this rule automatically entitles a recipient of social security disability payments or supplemental security income payments to any good or service provided by the division. Qualified division personnel will identify and document the individual as a recipient of social security benefits based on disability, and the determination of impediments to employment and need for services will be documented by the qualified rehabilitation counselor.
