57.44(2) *No separate license.* A residential care facility which chooses to provide respite care services is not required to obtain a separate license or pay a license fee.

57.44(3) *Involuntary termination of respite services.* The facility may terminate the respite services for a respite care individual. Rule 481—57.14(135C) shall not apply. When an individual is there for respite care services, the contract shall specify the time period during which the individual will be considered to be receiving respite care services. At the end of that period, the contract may be amended to extend that period of time. The contract shall specifically state that respite care services may be involuntarily terminated. The contract shall meet other requirements under rule 481—57.15(135C), except the requirements under subrule 57.15(7). (II, III)

The facility shall follow all requirements for the individual’s admission to the facility. (II, III)

57.44(6) *Level of care.* Respite care services shall not be provided by a health care facility to persons requiring a level of care which is higher than the level of care the facility is licensed to provide. (I, II, III)
