

641—202.12(135) Project progress reports. The department shall maintain an effective follow-up program to ensure that applicants make timely progress on each approved application.

202.12(1) The sponsor of an approved application shall submit a progress report using the form available on the certificate of need Web page on the department's Web site, www.idph.state.ia.us, to the department six months after approval at hearing.

202.12(2) Progress reports shall fully identify the project and indicate the current status of the project in descriptive terms. The reports shall also reflect an amended project schedule if necessary.
