

263—10.1(368) Election. If a petition or plan is approved, the board shall set a date within 90 days after the committee files its written decision, for a special election on the proposal and shall notify, by certified mail 30 days prior to the election date, the county commissioner of elections responsible for conducting the election who shall conduct the election. The board shall proceed with establishing a date for an election on the proposal regardless of appeal or applications filed pursuant to rule 9.13(368). Appeal of a committee decision does not stay the election. After the county commissioner of elections has certified the results to the board, the board shall serve and publish notice of the results as provided in Iowa Code section 362.3.
