b. Requested reports including the fire marshal's report and other information relevant to the licensing determination shall be furnished to the department upon application and renewal. A building owned or leased by a school district or accredited nonpublic school that complies with rules adopted by the state fire marshal for school buildings under 661—Chapter 5 is considered appropriate for use by a child care facility.

c. When a center makes a sufficient application for an initial license, it may operate for a period of up to 120 calendar days from the date of issuance of Form 470-4690, Permission to Open Without a License, pending a final licensing decision. A center has made a sufficient application when it has submitted the following to the department:

(3) A floor plan indicating room descriptions and dimensions, including location of windows and doors.

(4) Information sufficient to determine that the center director meets minimum personnel qualifications.

e. The department shall not act on a licensing application for 12 months after an applicant's child care center license has been denied or revoked.

f. When the department has denied or revoked a license, the applicant or person shall be prohibited from involvement with child care unless the department specifically permits involvement through a record check decision.

109.2(2) License.

In determining whether or not a center is in compliance with the intent of a licensing standard outlined in this chapter, the department shall make the final decision.

b. A new license shall be applied for when the center moves, expands, or the facility is remodeled to change licensed capacity.

c. A new license shall be applied for when another adult or agency assumes ownership or legal responsibility for the center.

109.2(3) Provisional license.

a. A provisional license may be issued or a previously issued license may be reduced to a provisional license for a period up to one year when the center does not meet all standards imposed by law and these rules.

b. A provisional license shall be renewable when written plans giving specific dates for completion to bring the center up to standards are submitted to and approved by the department.

A provisional license shall not be reissued for more than two consecutive years when the lack of compliance with the same standards has not been corrected within two years.

c. When the center submits documentation or it can otherwise be verified that the center fully complies with all standards imposed by law or these rules, the license shall be upgraded to a full license.

d. Information provided either orally or in writing to the department or contained in the center's files is shown to have been falsified by the provider or with the provider's knowledge.

e. The center is not able to obtain an approved fire marshal's certificate as prescribed by the state fire marshal in 661—Chapter 5 or Iowa Code chapter 100 or fails to comply in correcting or repairing any deficiencies in the time determined by the fire marshal or the fire marshal determines the facility is not safe for occupancy.

f. The regulatory fee as specified in subrule 109.2(7) is not received by the department's division of fiscal management by the due date indicated on Form 470-4834, Child Care Center Licensing Fee Invoice.

109.2(5) Revocation and suspension. A license shall be revoked or suspended if corrective action has not been taken when:

109.2(6) Adverse actions.

a. Notice of adverse actions for a denial, revocation, or suspension and the right to appeal the licensing decision shall be given to applicants and licensees in accordance with 441—Chapter 7.

b. An applicant or licensee affected by an adverse action may request a hearing by means of a written request directed to the Department of Human Services, Appeals Section, 1305 E. Walnut Street, Fifth Floor, Des Moines, Iowa 50319-0114. The request shall be submitted within 30 days after the date the department mailed the official notice containing the nature of the denial, revocation, or suspension.

c. A letter received by an owner or director of a licensed center initiating action to deny, suspend, or revoke the facility's license shall be conspicuously posted at the main entrance to the facility where it can be read by parents or any member of the public. The letter shall remain posted until resolution of the action to deny, suspend or revoke the license. If the action to deny, suspend, or revoke is upheld, the center shall return the license to the department.

d. If the center's license is denied, suspended or revoked, the administrator of the department shall notify the parent, guardian, or legal custodian of each child for whom the facility provides child care. The licensing consultant shall determine center capacity by dividing the amount of usable space by the amount of space required per child, as specified in subrule 109.11(1) and subparagraphs 109.11(3) “a”(2) and (3). Upon approval by the department, the final determination of center capacity may include evaluation of other factors that influence capacity, as long as physical space requirements per child as defined in subrule 109.11(1) and subparagraphs 109.11(3) “a”(2) and (3) are maintained.
