

281—43.21(285) Experience, traffic law knowledge and driving record. No driver applicant shall be employed or allowed to transport students until the board determines that the applicant has an acceptable driving record, demonstrates the ability to safely operate the vehicle(s) representative of the vehicle(s) required to be operated during employment and is knowledgeable of traffic laws and regulations pertaining to the operation of a school bus. Each local district, or the district's contracted transportation service, must, at a minimum, check the driving record of each applicant or renewing driver on the Iowa court information system available to the general public. The local district shall determine what an acceptable driving record is based upon the district's review and must maintain records of the review of each driver. Nothing in this rule precludes the district from examining other records to determine whether the driver has an acceptable driving record nor does it restrict the district to such examinations only at the time of hiring and renewal.
