

**281—59.1 (257) Scope and general principles.**

**59.1(1) *Scope.*** These rules apply to the provision of gifted and talented programs authorized in Iowa Code sections 257.42 to 257.49, for students who are identified as gifted and talented and who are enrolled in public school districts in this state.

**59.1(2) *General principles.*** Gifted and talented programs shall be provided by a school district and may be made available to eligible students as a cooperative effort between school districts or through cooperative arrangements between school districts and other educational agencies. It is the responsibility of school districts to ensure that the programs meet the requirements of state statute and these rules.
