

571—106.10(481A) Youth deer and severely disabled hunts.**106.10(1) Licenses.**

a. Youth deer hunt. A youth deer license may be issued to any Iowa resident who is not over 15 years old on the day the youth obtains the license. The youth license may be paid or free to persons eligible for free licenses. If the youth obtains a free landowner/tenant license, it will count as the one free any-deer license for which the youth's family is eligible.

Each participating youth must be accompanied by an adult who possesses a regular hunting license and has paid the habitat fee (if the adult is normally required to have a hunting license and to pay the habitat fee to hunt). Only one adult may participate for each youth hunter. The accompanying adult must not possess a firearm or bow and must be in the direct company of the youth at all times.

A person may obtain only one youth any-deer license but may also obtain any other paid or free any-deer and antlerless-deer-only licenses that are available to other hunters. Antlerless-deer-only licenses must be obtained in the same manner with which other hunters obtain them, as described in 106.6(2).

b. Severely disabled hunt. Any severely disabled Iowa resident meeting the requirements of Iowa Code section 321L.1(8) may be issued one any-deer license to hunt deer during the youth season. A person applying for this license must either possess a disability parking permit or provide a completed form from the department of natural resources. The form must be signed by a physician verifying that the person's disability meets the criteria defined in Iowa Code section 321L.1(8). Forms are available online at www.iowadnr.com, by visiting the DNR central office or any district office, or by calling (515)281-5918. A person between 16 and 65 years of age must also possess a regular hunting license and have paid the habitat fee to obtain a license (if normally required to have a hunting license and to pay the habitat fee to hunt). A severely disabled person obtaining this license may obtain any other paid and free any-deer and antlerless-deer-only licenses that are available to other hunters. Antlerless-deer-only licenses must be obtained in the same manner by which other hunters obtain them, as described in 106.6(2).

106.10(2) Season dates. Deer of either sex may be taken statewide for 16 consecutive days beginning on the third Saturday in September. A person who is issued a youth deer hunting license and does not take a deer during the youth deer hunting season may use the deer hunting license and unused tag during the early muzzleloader, late muzzleloader, and one of the shotgun seasons. The license will be valid for the type of deer and in the area specified on the original license. The youth must follow all other rules specified in this chapter for each season. A youth hunting in one of the other seasons must obtain a hunting license and habitat stamp or hunt with a licensed adult if required by Iowa Code section 483A.24. If the tag is filled during one of the seasons, the license will not be valid in subsequent seasons.

106.10(3) Shooting hours. Legal shooting hours will be one-half hour before sunrise to one-half hour after sunset each day regardless of weapon used.

106.10(4) Limits and license quotas. An unlimited number of licenses may be issued. The daily and season bag and possession limit is one deer per license. A person may shoot and tag a deer only by utilizing the license and tag issued in the person's name.

106.10(5) Method of take and other regulations. Deer may be taken with shotgun, bow or muzzleloaded rifles as permitted in 571—106.7(481A). All participants must meet the deer hunters' orange apparel requirement in Iowa Code section 481A.122. All other regulations for obtaining licenses or hunting deer shall apply.

106.10(6) Procedures for obtaining licenses. Paid and free youth season licenses and licenses for severely disabled hunters may be obtained through ELSI beginning August 15 through the last day of the youth season.
