

481—50.9(135C) Criminal, dependent adult abuse, and child abuse record checks.

50.9(1) Definitions. The following definitions apply for the purposes of this rule.

“*Background check*” or “*record check*” means criminal history, child abuse and dependent adult abuse record checks.

“*Certified nurse aide training program*” means a program approved in accordance with the rules for such programs adopted by the department of human services for the training of persons seeking to be a certified nurse aide for employment in a facility as defined by this rule or in a hospital as defined in Iowa Code section 135B.1.

“*Direct services*” means services provided through person-to-person contact. “Direct services” excludes services provided by individuals such as building contractors, repair workers, or others who are in a facility for a very limited purpose, are not in the facility on a regular basis, and who do not provide any treatment or services for residents, patients, tenants, or participants of the provider.

“*Employed in a facility*” or “*employment within a facility*” means all of the following if the provider is regulated by the state or receives any federal or state funding:

1. An employee of a health care facility licensed under Iowa Code chapter 135C if the employee provides direct or indirect services to residents;
2. An employee of a home health agency if the employee provides direct services to consumers;
3. An employee of a hospice if the employee provides direct services to consumers.

“*Employee*” means any individual who is paid either by the facility or any other entity (i.e., temporary agency, private duty, Medicare/Medicaid or independent contractors).

“*Evaluation*” means review by the department of human services to determine whether a founded child abuse, dependent adult abuse or criminal conviction warrants prohibition of the person’s employment in a facility; or whether a founded child abuse, dependent adult abuse or criminal conviction warrants prohibition of a student’s involvement in a clinical education component of the certified nurse aide training program involving children or dependent adults.

“*Facility,*” for purposes of this rule, means all of the following if the provider is regulated by the state or receives any federal or state funding:

1. A health care facility licensed under Iowa Code chapter 135C;
2. A home health agency;
3. A hospice.

“*Indirect services*” means services provided without person-to-person contact such as those provided by administration, dietary, laundry, and maintenance.

“*Student*” means a person applying for, enrolled in, or returning to a certified nurse aide training program.

50.9(2) Explanation of “crime.” For purposes of this rule, the term “crime” does not include offenses under Iowa Code chapter 321 classified as simple misdemeanor or equivalent simple misdemeanor offenses from another jurisdiction.

50.9(3) Requirements for employer prior to employing an individual. Prior to employment of a person in a facility, the facility shall request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks of the person in this state.

a. Informing the prospective employee. A facility shall ask each person seeking employment by the facility, “Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime other than a simple misdemeanor offense relating to motor vehicles and laws of the road under Iowa Code chapter 321 or equivalent provisions, in this state or any other state?” In addition, the person shall be informed that a background check will be conducted. The person shall indicate, by signature, that the person has been informed that the background check will be conducted. (I, II, III)

b. Conducting a background check. The facility may access the single contact repository (SING) to perform the required background check. If the SING is used, the facility shall submit the person’s maiden name, if applicable, with the background check request. If the SING is not used, the facility must obtain a criminal history check from the department of public safety and a check of the child and dependent adult abuse registries from the department of human services. (I, II, III)

c. If a person being considered for employment has been convicted of a crime. If a person being considered for employment in a facility has been convicted of a crime under a law of any state, the department of public safety shall notify the facility that upon the request of the facility the department of human services will perform an evaluation to determine whether the crime warrants prohibition of the person's employment in the facility. (I, II, III)

d. If a person being considered for employment has a record of founded child or dependent adult abuse. If a department of human services child or dependent adult abuse record check shows that a person being considered for employment in a facility has a record of founded child or dependent adult abuse, the department of human services shall notify the facility that upon the request of the facility the department of human services will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of the person's employment in the facility. (I, II, III)

e. Employment pending evaluation. The facility may employ a person for not more than 60 calendar days pending the completion of the evaluation by the department of human services if all of the following apply. The 60-day period begins on the first day of the person's employment.

(1) The person is being considered for employment other than employment involving the operation of a motor vehicle;

(2) The person does not have a record of founded child or dependent adult abuse;

(3) The person has been convicted of a crime that is a simple misdemeanor offense under Iowa Code section 123.47 or a first offense of operating a motor vehicle while intoxicated under Iowa Code section 321J.2(1); and

(4) The facility has requested that the department of human services perform an evaluation to determine whether the crime warrants prohibition of the person's employment. (I, II, III)

50.9(4) Validity of background check results. The results of a background check conducted pursuant to this rule shall be valid for a period of 30 calendar days from the date the results of the background check are received by the facility. (I, II, III)

50.9(5) Employment prohibition. A person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a facility unless an evaluation has been performed by the department of human services. (I, II, III)

50.9(6) Transfer of an employee to another facility owned or operated by the same person. If an employee transfers from one facility to another facility owned or operated by the same person, without a lapse in employment, the facility is not required to request additional criminal and child and dependent adult abuse record checks of that employee. (I, II, III)

50.9(7) Transfer of ownership of a facility. If the ownership of a facility is transferred, at the time of transfer the background check required by this rule shall be performed for each employee for whom there is no documentation that such background check has been performed. The facility may continue to employ such employee pending the performance of the background check and any related evaluation. (I, II, III)

50.9(8) Change of employment—person with criminal or abuse record—exception to record check evaluation requirements. A person with a criminal or abuse record who is or was employed by a facility and is hired by another facility shall be subject to the background check.

a. A reevaluation of the latest record check is not required, and the person may commence employment with the other facility if the following requirements are met:

(1) The department of human services previously performed an evaluation concerning the person's criminal or abuse record and concluded the record did not warrant prohibition of the person's employment;

(2) The latest background check does not indicate a crime was committed or founded abuse record was entered subsequent to the previous evaluation;

(3) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed;

(4) Any restrictions placed on the person's employment in the previous evaluation by the department of human services and still applicable shall remain applicable in the person's subsequent employment; and

(5) The person subject to the background check has maintained a copy of the previous evaluation and provided it to the subsequent employer, or the previous employer provides the previous evaluation from the person's personnel file pursuant to the person's authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, a current record check evaluation shall be performed. (I, II, III)

b. For purposes of this subrule, a position is "substantially the same or has the same job responsibilities" if the position requires the same certification, licensure, or advanced training. For example, a licensed nurse has substantially the same or the same job responsibilities as a director of nursing; a certified nurse aide does not have substantially the same or the same job responsibilities as a licensed nurse.

c. The subsequent employer must maintain the previous evaluation in the employee's personnel file for verification of the exception to the requirement for a record check evaluation. (I, II, III)

d. The subsequent employer may request a reevaluation of the background check and may employ the person while the reevaluation is being performed, even though an exemption under paragraph 50.9(8) "a" may be authorized.

50.9(9) *Employee notification of criminal conviction or founded abuse after employment.* If a person employed by a facility employer that is subject to this rule is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the employer of such information within 48 hours of the criminal conviction or entry of the record of founded child or dependent adult abuse.

a. The employer shall act to verify the information within seven calendar days of notification. "Verify," for purposes of this subrule, means to access the single contact repository (SING) to perform a background check, to request a criminal background check from the department of public safety, to request an abuse record check from the department of human services, to conduct an online search through the Iowa Courts Online website, or to contact the county clerk of court office and obtain a copy of relevant court documents.

b. If the information is verified, the facility shall follow the requirements of paragraphs 50.9(3) "c" and "d." (I, II, III)

c. The employer may continue to employ the person pending the performance of an evaluation by the department of human services.

d. A person who is required by this subrule to inform the person's employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor under Iowa Code section 135C.33.

e. The employer may notify the county attorney for the county where the employer is located of any violation or failure by an employee to notify the employer of a criminal conviction or entry of an abuse record within the period required under this subrule.

50.9(10) *Facility receipt of credible information that an employee has been convicted of a crime or has a record of founded abuse.* If the facility receives credible information, as determined by the facility, from someone other than the employee, that the employee has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment, and the employee has not informed the employer of the information within the time required by subrule 50.9(9), the facility shall take the following actions:

a. The facility shall act to verify credible information within seven calendar days of receipt. "Verify," for purposes of this subrule, means to access the single contact repository (SING) to perform a background check, to request a criminal background check from the department of public safety, to request an abuse record check from the department of human services, to conduct an online search through the Iowa Courts Online website, or to contact the county clerk of court office and obtain a copy of relevant court documents.

b. If the information is verified, the facility shall follow the requirements of paragraphs 50.9(3) "c" and "d." (I, II, III)

50.9(11) *Proof of background checks for temporary employment agencies and contractors.* Proof of background checks may be kept in the files maintained by temporary employment agencies and

contractors. Facilities may require temporary employment agencies and contractors to provide a copy of the result of the background checks. Copies of such results shall be made available to the department upon request. (I, II, III)

50.9(12) *Certified nurse aide training program students.* Prior to a student's beginning or returning to a certified nurse aide training program, the program shall request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks, in this state, of the student.

a. Prohibition of involvement in clinical education. If a student has a criminal record or a record of founded child or dependent adult abuse, the student shall not be involved in a clinical education component of the certified nurse aide training program involving children or dependent adults unless an evaluation has been performed by the department of human services. The evaluation shall be performed upon request of the certified nurse aide training program.

b. Involvement in clinical education component pending evaluation. The training program may allow the student's participation in the clinical education component for not more than 60 calendar days pending the completion of the evaluation by the department of human services if all of the following apply. The 60-day period begins on the first day of the student's participation in the clinical education component.

(1) The student's clinical education component of the training program involves children or dependent adults but does not involve the operation of a motor vehicle;

(2) The student does not have a record of founded child or dependent adult abuse;

(3) The student has been convicted of a crime that is a simple misdemeanor offense under Iowa Code section 123.47 or a first offense of operating a motor vehicle while intoxicated under Iowa Code section 321J.2(1); and

(4) The training program has requested that the department of human services perform an evaluation to determine whether the crime warrants prohibition of the student's involvement in the clinical education component.

c. Student notification of criminal conviction or founded abuse after performance of record checks and evaluation. If a student is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the record checks and any evaluation have been performed, the student shall inform the certified nurse aide training program of such information within 48 hours of the criminal conviction or entry of the record of founded child or dependent adult abuse.

(1) The program shall act to verify the information within seven calendar days of notification. "Verify," for purposes of this paragraph, means to access the single contact repository (SING) to perform a background check, to request a criminal background check from the department of public safety, to request an abuse record check from the department of human services, to conduct an online search through the Iowa Courts Online website, or to contact the county clerk of court office and obtain a copy of relevant court documents. If the information is verified, the program shall follow the requirements of paragraph 50.9(12) "a" to determine whether or not the student's involvement in a clinical education component may continue.

(2) The program may allow the student involvement to continue pending the performance of an evaluation by the department of human services.

(3) A student who is required to inform the program of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor under Iowa Code section 135C.33.

(4) The program may notify the county attorney for the county where the program is located of any violation or failure by a student to notify the program of a criminal conviction or entry of an abuse record within the period required by this paragraph.

d. Program receipt of credible information that a student has been convicted of a crime or has a record of founded abuse. If a program receives credible information, as determined by the program, that a student has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after the record checks and any evaluation have been performed, from a person other than the student, and the student has not informed the program of such information within

48 hours, the program shall act to verify the credible information within seven calendar days of receipt of the credible information. "Verify," for purposes of this paragraph, means to access the single contact repository (SING) to perform a background check, to request a criminal background check from the department of public safety, to request an abuse record check from the department of human services, to conduct an online search through the Iowa Courts Online website, or to contact the county clerk of court office and obtain a copy of relevant court documents. If the information is verified, the requirements of paragraph 50.9(12) "a" shall be applied to determine whether or not the student's involvement in a clinical education component may continue.

e. Completion of a certified nurse aide training program conducted by the health care facility. If a certified nurse aide training program is conducted by the facility and a student of that program accepts and begins employment with the facility within 30 days of completing the program, the background check of the student performed prior to beginning the training program shall fulfill the criminal and abuse background check requirements. The facility shall maintain the proof required in subrule 50.9(11). (I, II, III)
