**67.16(1) Conditional certification.** In lieu of denial, suspension or revocation of a certificate, the department may issue a conditional certificate for a period of up to one year. Notwithstanding subrule 67.15(4), a conditional certificate shall be issued only when regulatory insufficiencies pose no greater risk to tenant health or safety than the potential for causing minimal harm.

*a.* The department shall specify the reasons for the conditional certificate in the notice issuing the conditional certificate.

*b.* The department may place conditions upon a certificate, such as requiring additional training; restriction of the program from accepting additional tenants for a period of time; or any other action or combination of actions deemed appropriate by the department.

*c.* Failure by the program to adhere to the plan of correction or conditions placed on the certificate may result in suspension or revocation of the conditional certification and may result in further enforcement action as available under applicable requirements.

*d.* A program must be in substantial compliance with applicable requirements before the removal of a conditional certificate by the department. Prior to lifting a conditional certificate, the department may conduct a monitoring to verify substantial compliance. Once the program is in substantial compliance with applicable requirements, the department shall lift the conditional certificate.

**67.16(2) Appeal of conditional certificate.** A written request for hearing must be received by the department within 30 days after the mailing or service of notice. The conditional certificate shall not be suspended pending the hearing. Hearings shall be conducted by the administrative hearings division of the department of inspections and appeals pursuant to Iowa Code chapter 17A and 481—Chapter 9.
