

481—67.19(135C,231B,231C,231D) Criminal, dependent adult abuse, and child abuse record checks.

67.19(1) Definitions. The following definitions apply for the purposes of this rule.

“*Background check*” or “*record check*” means criminal history, child abuse and dependent adult abuse record checks.

“*Direct services*” means services provided through person-to-person contact. “Direct services” excludes services provided by individuals such as building contractors, repair workers, or others who are in a program for a very limited purpose, who are not in the program on a regular basis, and who do not provide any treatment or services for residents, patients, tenants, or participants of the provider.

“*Employed in a program*” or “*employment within a program*” means all of the following, if the provider is regulated by the state or receives any federal or state funding:

1. An employee of an assisted living program certified under Iowa Code chapter 231C, if the employee provides direct services to consumers;
2. An employee of an elder group home certified under Iowa Code chapter 231B, if the employee provides direct services to consumers;
3. An employee of an adult day services program certified under Iowa Code chapter 231D, if the employee provides direct services to consumers.

“*Employee*” means any individual who is paid, either by the program or any other entity (i.e., temporary agency, private duty, Medicare/Medicaid or independent contractors).

“*Evaluation*” means review by the department of human services to determine whether a founded child abuse, dependent adult abuse or criminal conviction warrants the person’s being prohibited from employment in a program.

“*Indirect services*” means services provided without person-to-person contact such as those provided by administration, dietary, laundry, and maintenance.

“*Program,*” for purposes of this rule, means all of the following, if the provider is regulated by the state or receives any federal or state funding:

1. An assisted living program certified under Iowa Code chapter 231C;
2. An elder group home certified under Iowa Code chapter 231B; and
3. An adult day services program certified under Iowa Code chapter 231D.

67.19(2) Explanation of “crime.” For purposes of this rule, the term “crime” does not include offenses under Iowa Code chapter 321 classified as simple misdemeanor or equivalent simple misdemeanor offenses from another jurisdiction.

67.19(3) Requirements for employer prior to employing an individual. Prior to employment of a person in a program, the program shall request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks of the person in this state.

a. Informing the prospective employee. A program shall ask each person seeking employment by the program, “Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime other than a simple misdemeanor offense relating to motor vehicles and laws of the road under Iowa Code chapter 321 or equivalent provisions in this state or any other state?” The person shall also be informed that a background check will be conducted. The person shall indicate, by signature, that the person has been informed that the background check will be conducted.

b. Conducting a background check. The program may access the single contact repository (SING) to perform the required background check. If the SING is used, the program shall submit the person’s maiden name, if applicable, with the background check request. If SING is not used, the program must obtain a criminal history check from the department of public safety and a check of the child and dependent adult abuse registries from the department of human services.

c. If a person considered for employment has been convicted of a crime. If a person being considered for employment in a program has been convicted of a crime under a law of any state, the department of public safety shall notify the program that upon the request of the program the department of human services will perform an evaluation to determine whether the crime warrants prohibition of the person’s employment in the program.

d. If a person considered for employment has a record of founded child abuse or dependent adult abuse. If a department of human services child or dependent adult abuse record check shows that a person being considered for employment in a program has a record of founded child or dependent adult abuse, the department of human services shall notify the program that upon the request of the program the department of human services will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of employment in the program.

e. Employment pending evaluation. The program may employ a person for not more than 60 calendar days pending the completion of the evaluation by the department of human services if all of the following apply. The 60-day period begins on the first day of the person's employment.

(1) The person is being considered for employment other than employment involving the operation of a motor vehicle;

(2) The person does not have a record of founded child or dependent adult abuse;

(3) The person has been convicted of a crime that is a simple misdemeanor offense under Iowa Code section 123.47 or a first offense of operating a motor vehicle while intoxicated under Iowa Code section 321J.2, subsection 1; and

(4) The program has requested an evaluation to determine whether the crime warrants prohibition of the person's employment.

67.19(4) Validity of background check results. The results of a background check conducted pursuant to this rule shall be valid for a period of 30 calendar days from the date the results of the background check are received by the program.

67.19(5) Employment prohibition. A person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a program unless an evaluation has been performed by the department of human services.

67.19(6) Transfer of an employee to another program owned or operated by the same person. If an employee transfers from one program to another program owned or operated by the same person, without a lapse in employment, the program is not required to request additional criminal and child and dependent adult abuse record checks of that employee.

67.19(7) Transfer of ownership of a program. If the ownership of a program is transferred, at the time of transfer the background check required by this rule shall be performed for each employee for whom there is no documentation that such background check has been performed. The program may continue to employ such employee pending the performance of the background check and any related evaluation.

67.19(8) Change of employment—person with criminal or abuse record—exception to record check evaluation requirements. A person with a criminal or abuse record who is or was employed by a certified program and is hired by another certified program shall be subject to the background check.

a. A reevaluation of the latest record check is not required, and the person may commence employment with the other certified program if the following requirements are met:

(1) The department of human services previously performed an evaluation concerning the person's criminal or abuse record and concluded the record did not warrant prohibition of the person's employment;

(2) The latest background check does not indicate a crime was committed or founded abuse record was entered subsequent to the prior evaluation;

(3) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed;

(4) Any restrictions placed on the person's employment in the previous evaluation by the department of human services and still applicable shall remain applicable in the person's subsequent employment; and

(5) The person subject to the background check has maintained a copy of the previous evaluation and provided it to the subsequent employer, or the previous employer provides the previous evaluation from the person's personnel file pursuant to the person's authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, a current record check evaluation shall be performed.

b. For purposes of this subrule, a position is “substantially the same or has the same job responsibilities” if the position requires the same certification, licensure, or advanced training. For example, a licensed nurse has substantially the same or the same job responsibilities as a director of nursing; a certified nurse aide does not have substantially the same or the same job responsibilities as a licensed nurse.

c. The subsequent employer must maintain the previous evaluation in the employee’s personnel file for verification of the exception to the requirement for a record check evaluation.

d. The subsequent employer may request a reevaluation of the background check and may employ the person while the reevaluation is being performed, even though an exemption under paragraph 67.19(8) “*a*” may be authorized.

67.19(9) *Employee notification of criminal convictions or founded abuse after employment.* If a person employed by an employer that is subject to this rule is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person’s employment application date, the person shall inform the employer of such information within 48 hours of the criminal conviction or entry of the record of founded child or dependent adult abuse.

a. The employer shall act to verify the information within seven calendar days of notification. “Verify,” for purposes of this subrule, means to access the single contact repository (SING) to perform a background check, to request a criminal background check from the department of public safety, to request an abuse record check from the department of human services, to conduct an online search through the Iowa Courts Online website, or to contact the county clerk of court office and obtain a copy of relevant court documents.

b. If the information is verified, the program shall follow the requirements of paragraphs 67.19(3) “*c*” and “*d*.”

c. The employer may continue to employ the person pending the performance of an evaluation by the department of human services.

d. A person who is required by this subrule to inform the person’s employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor under Iowa Code section 135C.33.

e. The employer may notify the county attorney for the county where the employer is located of any violation or failure by an employee to notify the employer of a criminal conviction or entry of an abuse record within the period required under this subrule.

67.19(10) *Program receipt of credible information that an employee has been convicted of a crime or founded for abuse.* If the program receives credible information, as determined by the program, from someone other than the employee, that the employee has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment, and the employee has not informed the employer of the information within the time required by subrule 67.19(9), the program shall take the following actions:

a. The program shall act to verify credible information within seven calendar days of receipt. “Verify,” for purposes of this subrule, means to access the single contact repository (SING) to perform a background check, to request a criminal background check from the department of public safety, to request an abuse record check from the department of human services, to conduct an online search through the Iowa Courts Online website, or to contact the county clerk of court office and obtain a copy of relevant court documents.

b. If the information is verified, the program shall follow the requirements of paragraphs 67.19(3) “*c*” and “*d*.”

67.19(11) *Proof of background checks for temporary employment agencies and contractors.* Proof of background checks may be kept in the files maintained by temporary employment agencies and contractors. Facilities may require temporary employment agencies and contractors to provide a copy

of the result of the background checks. Copies of such results shall be made available to the department upon request.

This rule is intended to implement Iowa Code sections 231B.2(1), 231C.3(1), 231D.2(2), and 135C.33 and 2013 Iowa Acts, Senate File 347.
