

21—66.9(163) Order of sale through auction markets. The following order shall be maintained in the sale of the various classes of cattle through auction markets whenever applicable:

66.9(1) Cattle from certified herds and modified certified brucellosis areas.

66.9(2) Animals having passed a negative test within 30 days and official vaccinates of dairy type under 20 months of age and of beef type under 24 months of age not visibly pregnant or postparturient.

66.9(3) Beef cattle sold for feeding and grazing.

66.9(4) Animals consigned direct to a slaughter.

66.9(5) Brucellosis reactor animals.

This rule is intended to implement Iowa Code sections 163.1 and 163.19.
