

281—65.5(279) Allowable expenditures. School districts will provide, at a minimum, the activities set forth in Iowa Code section 279.51(1) “c.” Additional allowable expenditures include salaries and benefits for teachers and paraeducators, and activities and materials to improve academic achievement. These funds are to be used for instruction, activities, and materials that are in addition to the regular school curricula for children participating in these programs, and only to be used in the building for which the award is made. Inappropriate uses of award funding include indirect costs or use charges, operational or maintenance costs, capital expenditures, student transportation other than that which is directly related to the activities and materials described in this rule, or administrative costs. Moneys received are subject to the general provisions described in 281—Chapter 98.
