Support services shall be provided to eligible persons without application or application fee, but subject to applicable enforcement fees.

95.18(1) Notice of services. When a family is no longer eligible for public assistance, the department shall forward Form 470-1981 to the family's last-known address within five working days of the notification of ineligibility, to inform the family of the following:

- b. Of the effect of continuing to receive support services, including the available services and the state's policies on fees, cost recovery, and distribution.

95.18(2) Termination of services. A person may request the department to terminate support services at any time by the completion and return of the appropriate portion of Form 470-1981, or in any other form of written communication, to the child support recovery unit.

Continued support services may be terminated at any time for any of the reasons listed in rule 441—95.14(252B).

95.18(3) Reapplication for services. A person whose services were denied or terminated may reapply for services under this chapter by completing the application process described in subrule 95.2(4).
